

PUBLIC NOTICE

CITY HALL CLOSED FOR SOCIAL DISTANCING

The City of Jamaica Beach is releasing this information out of transparency and accountability to our staff and the public. Please note that we will not be able to respond to additional inquiries on the matter due to confidentiality laws.

A person in the Jamaica Beach Police Department has tested positive for COVID-19.

Out of an abundance of caution, we are testing all Police Officers that have been in contact with the affected staff member to include testing of all City Hall staff members; we anticipate the results within 48 hours. The testing of these individuals has not impacted the department's ability to be fully operational. The Jamaica Beach Police Department has disinfected and cleaned the station and all equipment. City Staff has also cleaned and disinfected City Hall, but as an extra precautionary measure the Lobby at City Hall will be closed to the public until further notice.
