Under the Public Information Act, some categories of information are confidential and exempt from public disclosure. In most instances, the City is required to request an Attorney General decision as to what portions of the requested information may be withheld and what must be released; an AG response can take up to forty-five (45) business days from the date they receive the request for a decision. However, a requestor may permit the City to redact information without requesting an Attorney General decision. You are not required to agree to the redaction of any information responsive to your request, but doing so may streamline the handling of your request. If you agree to redactions in this request, you may still request the redacted information in a future information request. Choose only one (1) of the below options:

- I agree to accept the redaction of information that is subject to the PIA mandatory & discretionary exemption(s), provided such redactions are clearly labeled on the information received.
- I do not agree to the redaction of information without receiving an Attorney General decision.

I understand if the information requested is unclear or if a large amount of information is requested, I may be contacted to discuss clarifying or narrowing my request; and that the City is under no obligation to create a document to satisfy my request or to comply with a standing request for information; and that there may be charges associated with production of the requested information (for charges exceeding \$50.00, a letter estimating the cost will be provided prior to processing).
