Questions and Answers

This addendum forms part of the proposal and contract documents and modifies the original solicitation documents dated 8/20/2019. Acknowledge receipt of this addendum in the space provided below. FAILURE TO DO SO WILL SUBJECT OFFEROR TO DISQUALIFICATION.

Page 20 talks about 4 types of bond requirements with the caveat “if applicable”. Section 7.6.4 mentions only a Performance Bond. Can you clarify which of these bonds (if any) would be required? *A Proposal bond is required for Proposals over \$25,000.00 in the amount of 5% of the total Proposal amount. A Performance bond is required in the amount of 100% of the total contract amount insuring full, faithful, and prompt performance of the responsibilities contained in this contract within the time parameters provided herein.*

Page 35, section 5.2.3.6 talks about “Expendable Items” that would be at Company expense, but the list sounds more like “Supplies” which 5.2.3.8 describes as reimbursable. Typically we pay for the tools that stay on our truck, but charge back the tools or supplies that stay on-site as dedicated to a facility. *All Supplies (“Expendable Items”) that stay on-site are dedicated to the facility and are considered reimbursable to the Company. All items, tools, equipment needed to perform the work described in this RFQ would be at Company expense.*

I hereby certify receipt of this addendum and have incorporated its information or changes in preparation of my submittal.
